Monash Learningfast ("MLF") is a company of Monash Commercial, which offers a range of self-paced, interactive training resources to staff and students to allow them to upgrade their ICT skills online via the portal. The aim of this presentation is to raise awareness of the online training resources provided, outlining their features and benefits to Monash, and to respond to questions from the broader Monash community

The presentation will begin with a brief company profile, followed by an online demonstration of MLF products, located on my.monash portal.
