## International Big Day Out

### Friday 24 February

Departs from individual campus.

The Orientation program at every Monash Victorian campus concludes with the International Big Day Out. This event brings new students from all campuses together to celebrate the end of the Monash University Orientation week. You will get to meet them and form friendships with students from different campuses, countries and cultures.

Prior registration is essential because of limited spaces. Don't miss out! It is a day full of fun, activities and sightseeing followed by a scrumptious dinner and bush dancing in the evening.
