GHOSTS OF SELF AND STATE

MOATAZ NASR (Cairo) TOM NICHOLSON (Melbourne) MARKUS SCHINWALD (Berlin/Vienna)

Professor John Redmond, Chair, and Max Delany, Director, MUMA, cordially invite you to the opening of *Ghosts of self and state*

Curator: Geraldine Barlow

To what degree do the state and self mirror each other in their construction? *Ghosts of self and state* looks into the public and private faces adopted by the citizen and the state, the individual and the body politic. The political and personal are considered in relation to memory: its persistence, fragility and Chinese-whispers passage into myth.
