Professor John Redmond, Chair, and Max Delany, Director, MUMA, cordially invite you to the opening of *Rapt! 20 Contemporary Artists from Japan*

Curated by Yukihiro Hirayoshi (Curator, National Museum of Art, Osaka); Shihoko Iida (Curator, Tokyo Opera City Art Gallery); and Fumihiko Sumitomo (Curator, Museum of Contemporary Art, Tokyo)

Rapt! 20 Contemporary Artists from Japan is an ambitious program of exhibitions, residencies and public events showcasing contemporary Japanese art in Australia. Developed by the Japan Foundation in the year of exchange between Australia and Japan, and based on cross-

cultural discussions and research by Japanese and Australian curators, *Rapt!* explores new channels of communication and the dynamic shifts between the 'self' and 'world' found in modern societies. MUMA is pleased to present the work of Nobuya Hoki, Tomoaki Ishihara and Yuki Kimura.

Sponsored by the Japan Foundation. Yuki Kimura's residency is supported by Monash University's Faculty of Art & Design.
