

Course progression map for 2018 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

M6017 Master of Occupational Therapy Practice

Students complete two years of full-time study in three academic years because they commence their first year and complete their final year at mid-year.

Year 1 Term 3	OCC4010 Foundations of occupational therapy
