

Study IT in Spain with Monash Abroad

Monash IT students can now do part of their degree in Valencia, Spain.

Monash has recently signed the first student exchange agreement specifically for IT students with Polytechnic University of Valencia.

- Study for one or two semesters in the ancient city of Valencia on the shore of the Mediterranean.
- All units studied at Valencia will be credited towards your Monash degree.
- IT and other units taught in English are available to exchange students.
- Intensive Spanish language training available before the start of semester.
- All students will receive a \$2,500 travel grant from Monash for one semester overseas or \$4,000 for two semesters. Commonwealth supported students can borrow up to \$5,200 and add it to their HELP debt.
- For more information about the Monash exchange program and application form, visit <http://www.monash.edu/students/studyabroad/>.
- For more information about Polytechnic University of Valencia go to <http://www.monash.edu/students/studyabroad/programs/partners/spain.html>.
- For other advice contact Jesilda Fernando at the Monash Abroad office on 9905-8541 or email jesilda.fernando@adm.monash.edu.au
