

How to use the Admissions Table

The Admissions Table is a quick reference guide to the entry requirements for all Monash postgraduate courses.

For the latest information, please check the website.

If a course appears in the *Postgraduate Course Guide* but does not appear in this table, please contact the relevant faculty directly.

- Course notes information can be found at the end of the table on page 27.

Type of course	Course name	Course code	Course notes	2008 fee* A\$	Duration (full-time)	Campus	Intake (sem)	English language level (see page 5 of this guide)	Entry requirements	Course guide ref page
----------------	-------------	-------------	--------------	---------------	----------------------	--------	--------------	---	--------------------	-----------------------

Course notes information

1. The fee listed is for the full course or 72 credit points.

2. For course fees to Sunway campus, (Malaysia) please refer to www.monash.edu.my/research

Annual fee information

* Per year of full-time study (unless otherwise stated in course notes section).

Course duration information

* Full-time (9 am – 5 pm, Mon – Fri) – online and combined options also available.

(ACC) Accelerated course.

(ESA) Early submission can take place after 1.5 years.

(FCT) Flexible completion time is also available.

(ICC) This is an intensive course completed over the period of one year.

(ICS) The course includes a summer semester and is completed within one year.

Campus information

** Note that not all departments are represented at the Malaysia campus. Please check with the faculty for details.

AF Approved institutes, centres and/or hospitals affiliated with the faculty

AH Alfred Hospital

BE Berwick

CA Caulfield

CBD Melbourne Central Business District

CH China

CL Clayton

GP Gippsland

HK Hong Kong

MA Malaysia (Sunway campus)

MC Melbourne City

MLC Monash Law Chambers (City)

MM Multimode

MMCMonash Medical Centre

OC Off-campus

OnC On-campus

PE Peninsula

SP Singapore

Intake period information

* Preferably by 31 March each year.

** January (on-campus), July (on-campus), March (online).

*** Only if places are available.

TY Throughout the year.

SS Summer semester.

TBC To be confirmed.

Art & Design

DOCTORATE BY RESEARCH	Doctor of Philosophy	1322		21,000	4 years	CA, GP	TY	A	A bachelors degree requiring at least four years of full time study, which normally includes a research component in the fourth year, leading to an honours degree class I or class 2A level; or a course leading to a masters preliminary qualification at a level rated by faculty as equivalent to an honours class level I or 2A; or a masters degree that entailed work, normally including a significant research component, at least equivalent to an honours degree. The qualifications should be in the field of study appropriate to the proposed research interest. Under exceptional circumstances the Research Graduate School Committee may accept candidates with a degree of a lower grade than honours 2A if they have demonstrated an ability to undertake research at the PhD level, for example by producing evidence of quality work that can be reported on by a referee, or by producing proof of relevant professional experience at a high level.	18
MASTERS BY RESEARCH	Master of Arts	0498		21,000	2 years (ESA) 1.5 years	CA, GP	TY	A	An honours degree with a grade of H2A or above, its equivalent, or an approved fourth year of study (for example, a graduate diploma), from a recognised university.	18
MASTERS BY RESEARCH	Master of Design (by Research)	3111		21,000	2 years (ESA) 1.5 years	CA	TY	A	An honours degree (minimum H2A) or undergraduate degree plus graduate/postgraduate diploma (level 4 studies) in an area appropriate to the proposed research discipline from Monash University or an equivalent qualification from another tertiary institution or university approved by the faculty. Applications should be accompanied by 10–15 photographic prints of recent original work, clearly numbered with a corresponding list of details attached and a current academic and professional curriculum vitae. In special circumstances, the faculty may admit to candidature an applicant who lacks any of the qualifications listed above but whose publications, professional practice (five years minimum), creation of design registrations (or patents in other countries), major commissions and other experience is considered by the faculty to be equivalent research training in the proposed field of study. Such applications will be considered on a case-by-case basis.	19
MASTERS BY RESEARCH	Master of Fine Art	2953		21,000	2 years (ESA) 1.5 years	CA, GP	TY	A	An honours degree (minimum H2A), or a graduate/postgraduate diploma of equivalent standard in an area appropriate to the research discipline from Monash University, or an equivalent qualification from another tertiary institution or university approved by the faculty. Applications should be accompanied by 10–15 slides or photographic prints of recent original work, clearly numbered with a corresponding list of details attached and a current academic and professional curriculum vitae. In special circumstances, the faculty may admit an applicant who lacks all or some of the qualifications listed above but whose qualifications, publications (including exhibitions) and experience are considered by the faculty to be a suitable preparation for the proposed field of study. Such applications will be considered on a case-by-case basis.	19
MASTERS BY COURSEWORK	Master of Design	3113		21,000	1.5 years	CA	1, 2	A	A bachelors degree in art or design from Monash University or another recognised institution. Applications must be accompanied by a folio of 10–15 pieces of recent, relevant work which may be on CD or as colour printouts, clearly numbered with a corresponding list of details attached and a current academic and professional curriculum vitae.	20
MASTERS BY COURSEWORK	Master of Multimedia	3102		21,000	1.5 years	CA	1, 2	A	A bachelors degree from a recognised institution. This course is offered jointly through the Faculty of Information Technology. An art and design background is not required for enrolment in this program.	20
MASTERS BY COURSEWORK	Master of Multimedia Design	3105		21,000	2 years	CA	1, 2	A	A bachelors degree from a recognised institution. This course is offered jointly through the Faculty of Information Technology. An art and design background is not required for enrolment in this program.	21
MASTERS BY COURSEWORK	Master of Visual Arts	3108		20,000	1.5 years	CA, GP	1	A	A bachelors degree in art or design from Monash University or a recognised equivalent. Applications must be accompanied by 10–15 photographic prints of recent original work, clearly numbered with a corresponding list of details attached and a current academic and professional curriculum vitae. Applicants must be able to demonstrate a high level of capability in their chosen studio discipline. Applicants should provide a personal statement of no more than 200 words summarising the direction of their current practice, including materials, techniques and content.	21

Arts

DOCTORATE BY RESEARCH	Doctor of Philosophy	0020		21,950	4 years	CA, CL, GP, MA	TY	D	A four-year Australian bachelors degree with an overall result of H2A or above (normally with a research component in the fourth year) or; an Australian masters preliminary qualification with a significant research component and with an overall result of H2A or above or; an Australian coursework masters degree with a significant research component graded at distinction or above and an overall result of H2A or above or; an Australian research masters degree with an overall result of H2A or above.	24
DOCTORATE BY RESEARCH	Doctor of Philosophy (Monash Asia Institute)	3757		26,450	4 years	CL	TY	D	A four-year Australian bachelors degree with an overall result of H2A or above (normally with a research component in the fourth year) or; an Australian masters preliminary qualification with a significant research component and with an overall result of H2A or above or; an Australian coursework masters degree with a significant research component graded at distinction or above and an overall result of H2A or above or; an Australian research masters degree with an overall result of H2A or above.	24
MASTERS BY RESEARCH	Master of Arts	2695		21,950	2 years	CA, CL, GP, MA**	TY	D	A four-year Australian bachelors degree with honours, or equivalent qualification, in the discipline to be studied within the masters, with a distinction/H2A average or above. Students are expected to have achieved a distinction or above in the research component. Applicants without previous research experience who have a postgraduate degree such as a graduate diploma or a masters by coursework (with a distinction average or above) may be admitted to a 66 per cent research degree. As part of the required 24 points of coursework units they must enrol for a 12-point supervised research project.	24
MASTERS BY RESEARCH	Master of Arts (Creative Writing)	3773		21,950	2 years	CL	TY	D	A four-year Australian bachelors degree with honours or an equivalent qualification with a distinction H2A average or above. Students are expected to have achieved a distinction or above in the research component.	24
MASTERS BY RESEARCH	Master of Bioethics	2704		21,950	2 years	CL	TY	D	A four-year bachelors degree with honours or equivalent qualification with a distinction H2A average or above. Students are expected to have achieved a distinction or above in the research component.	25
MASTERS BY RESEARCH	Master of Environmental Science	3902		21,950	2 years	CL	TY	D	Either (a) an honours degree in any discipline with a minimum H2A grade or equivalent; or (b) A Postgraduate Diploma in Arts (Research) in Environmental Science with a research component with an average grade of H2A or above from Monash University or equivalent qualification with a minimum grade of distinction for the research component; or (c) applications who do not have prior research experience but have completed a postgraduate degree or diploma with grades of distinction and above in three-quarters of their units may be admitted to the 66 per cent research degree (these applicants will need to enrol for a 12 point supervised research project as part of the required 24 points of coursework).	25
MASTERS BY RESEARCH	Master of Arts (Theatre Performance)	3939		21,950	2 years	CL	1, 2	D	Applicants should hold a four-year bachelors degree with honours in Theatre, Performing Arts or a related discipline with an overall grade of H2A or higher, or an equivalent qualification which will normally include a Bachelors degree in a relevant discipline and evidence of substantial documented professional experience.	26
MASTERS BY RESEARCH	Master of Arts (Music Composition)	3063		21,950	2 years	CL	TY	D	An Australian four-year bachelor of music honours degree or equivalent, with a distinction grade average in the final year of study. Two confidential professional references are required and must be completed by people who have known students for at least one year. In the case of overseas or interstate students a video recording of a performance will be accepted for consideration of entry in lieu of an audition. The video must be recorded in one session, be uncut, and be accompanied by a statutory declaration.	24
MASTERS BY RESEARCH & COURSEWORK	Master of Arts (Communications and Cultural Studies)	3100			1.5 years	MA	1, 2	A	A bachelors degree or equivalent in a cognate discipline with a credit average in the final year or a bachelors degree or equivalent with a pass average with demonstrable professional experience in a relevant area.	28

Medicine, Nursing and Health Sciences (continued)

DOCTORATE BY RESEARCH	Doctor of Public Health	3403/3993		29,000	4 years	AH (DEP)	1, 2	C	Applicants should have a bachelors degree with honours I or 2A in a health discipline or an equivalent, and are expected to have extensive relevant professional experience in the public health field (minimum of two years). Suitability for the role of a professional working in public health will be assessed from both a personal statement and referee reports. Please contact the faculty.	102
MASTERS BY RESEARCH	Master of Biomedical Science (part 1)	2970		27,500	1 year	AF, AH, CA, CL, GP, MMC, PE	TY	C	Applicants should have a bachelors degree in a relevant discipline with at least a credit average in 24 points of relevant third-year subjects. An additional faculty application form will also need to be completed which can be found at www.med.monash.edu.au/pgrad/forms/ . Please contact the faculty.	103
MASTERS BY RESEARCH	Master of Biomedical Science	2977		29,000	2 years	AF, AH, CA, CL, GP, MMC, PE	TY	C	Applicants should have either a bachelors degree with honours I or 2A in a relevant field or have achieved honours I or 2A in the Master of Biomedical Science (Part 1). In exceptional circumstances, a student who does not meet these entry requirements may be allowed to enrol if he/she has demonstrated an ability to undertake research at master level (for example, by producing evidence of research experience and/or relevant work experience). In recommending such a candidate, the head of department should be satisfied that the applicant will not require an undue amount of supervision. Please contact the faculty.	103
MASTERS BY RESEARCH	Master of Nursing (Research)	1396		22,470	2 years	GP, PE	TY	C	Applicants must have a Bachelor of Nursing or equivalent with honours I or 2A, and at least five years clinical experience and/or a relevant postgraduate qualification, as well as relevant registration (eg Division 1 with the Nurses Board of Victoria). Please contact the faculty.	104
MASTERS BY RESEARCH	Master of Philosophy	3438/3980		29,000	1.5 years	AF, AH, CA, CL, GP, MMC, PE	TY	C	Applicants must have either a bachelors degree with honours I or 2A in a relevant field or; a masters degree in a relevant field which contains a significant research component or; an approved medical degree together with documented research experience. Please contact the faculty.	104
MASTERS BY RESEARCH	Master of Reproductive Sciences	0100		29,000	2 years	AF, CL, MMC	1	C	Applicants should have either a bachelors degree in biological, medical, paramedical, agricultural or veterinary sciences with honours I or 2A or; a Graduate Diploma in Reproductive Sciences with a pass in all units and an average grade of 70 per cent or more for the course or; have qualifications and experience which are assessed as equivalent. Please contact the faculty.	104
MASTERS BY RESEARCH	Master of Rural Health (Research)	3407/3970		29,000	2 years	GP	TY	C	Applicants should have a bachelors degree with honours I or 2A in a relevant field and evidence of research experience and/or relevant work experience. Please contact the faculty.	105
MASTERS BY RESEARCH	Master of Social Work (Research)	2698		20,040	2 years	CA	TY	C	Applicants must have either a bachelors degree with honours I or 2A in a relevant field or; a masters degree in a relevant field which contains a significant research component or; an approved equivalent qualifications and/or experience. Please contact the faculty.	105
MASTERS BY RESEARCH	Master of Surgery	3443		29,000	1.5 years	AF, AH, MMC	TY	C	A candidate must have the following (not less than two years prior to applying for admission to candidature): (a) qualified for the degree of Bachelor of Surgery (BS) at this university or Bachelor of Surgery in another university recognised by the faculty board and, unless the faculty board resolves otherwise, have held an appointment in the university for a period of not less than two years, and (b) hold part 1 Fellowship of the Royal Australasian College of Surgeons (RACS) or equivalent body acceptable to the faculty and since qualifying for the degree of Bachelor of Surgery have been substantially engaged in the practice and study of surgery or in scientific works which in the opinion of the faculty board is relevant to the practice of surgery. Please contact the faculty.	105

Medicine, Nursing and Health Sciences (continued)

MASTERS BY COURSEWORK	Master of Clinical Embryology	2309	1	25,200	1 year (ICC)	MMC	1	A	Applicants should have a medical degree, veterinary science degree, Bachelor of Science degree (with honours I or 2A) or the equivalent professional experience in embryology or reproductive biology gained following a pass degree. Applicants should note that this is an intensive laboratory-based course which commences in February and finishes in November. Students complete 72 credit points across the year. The number of units in this course would normally take 1.5 years, but this is an intensive course completed over the period of one year.	106
MASTERS BY COURSEWORK	Master of Clinical Epidemiology	2311		27,500	1.5 years	AH	1, 2	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience.	106
MASTERS BY COURSEWORK	Master of Clinical Midwifery	3565		21,200	1.5 years	PE	1, 2	A	Applicants should normally hold a Bachelor of Midwifery and/or a Graduate Diploma. Applicants who hold a Certificate of Midwifery and who satisfy minimum standards for university entry will be required to undertake the following graduate diploma units (MID9003 and MID9004) prior to progressing to the masters course.	107
MASTERS BY COURSEWORK	Master of Health Services Management	2872		27,500	1.5 years	AH	1, 2	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree which have extensive professional experience.	110
MASTERS BY COURSEWORK	Master of International Health	3874		15,900	1.5 years	AH	1	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually consider applications from students without a degree who have extensive professional experience.	111
MASTERS BY COURSEWORK	Master of International Research Bioethics	3440	1	15,900	1 year (ICS)	AH	1	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience. International applicants wanting to be considered for a fully funded place must be working in low or middle income countries in the Asia-Pacific region and be in a position to contribute to the strengthening of health research ethics policy and processes in their country after the course. These applicants MUST supply with their application: a curriculum vitae; professional references; a personal statement outlining reasons for wanting to do the course, including the relevance of research bioethics to the applicants' future career path; a letter of support from institution or employer expressing commitment to leave employment open for the duration of the course, and to ensure that on the students return their role in the organisation will involve research bioethics. The number of units in this course would normally take 1.5 years, but this is an intensive course completed over the period of one year.	111
MASTERS BY COURSEWORK	Master of Nursing	1251		21,200	1.5 years	PE	1, 2	A	Applicants should have an undergraduate degree in an appropriate discipline and relevant professional experience. Applications will also be considered from candidates who do not have a degree but have extensive relevant experience. Students are also required to have at least two years of relevant professional experience in a health-related field. Applicants must provide, at the time of application, a brief statement (approximately 250 words) outlining their area of interest and the reason why they would like to complete the course.	112
MASTERS BY COURSEWORK	Master of Occupational and Environmental Health	2312		27,500	1.5 years	AH	1, 2	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience.	113

Medicine, Nursing and Health Sciences (continued)

MASTERS BY COURSEWORK	Master of Organisational Psychology	0495		23,900	2 years	CA	1	A	Students must have a bachelors degree with honours, a postgraduate diploma, or other fourth year in psychology accredited by the Australian Psychology Accreditation Council of at least H2A level, or equivalent qualifications and experience. In addition to their academic record, students will be selected on the basis of personal suitability for organisational psychology, with factors such as referees reports and presentation at a selection interview considered. Please refer to the School of Psychology, Psychiatry and Psychological Medicine website to find out about the additional forms required for your application: http://www.med.monash.edu.au/spppm/pgrad/ . Applications must be submitted to the School's Postgraduate Studies Office before the closing date in October.	114
MASTERS BY COURSEWORK	Master of Practice Development	3872		12,900	1.5 years	PE	1, 2	A	Completion of an undergraduate degree or equivalent with a high level of achievement,(distinction average) Students will need to be working in a practice environment that enables them to utilise knowledge and skills gained through the course. In this context 'practice' refers to any healthcare, education or learning, or management/leadership activity. In addition to these requirements students wishing to undertake the research component of the course must have relevant clinical experience or an appropriate postgraduate qualification. International applicants considering Monash University as their preferred study destination must meet both the Academic and English language requirements. Please refer to the postgraduate course guide for international students located at: http://www.monash.edu.au/international/ or guides are available directly from Monash International.	114
MASTERS BY COURSEWORK	Master of Public Health	0046		27,500	1.5 years	AH	1, 2	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience.	115
MASTERS BY COURSEWORK	Master of Social Work	0019		17,400	1 year	CA	1, 2	B	For entry to the degree, students must have a Bachelor of Social Work, or other equivalent, relevant degree, with a credit average in an approved fourth-year of study at undergraduate, honours or diploma level. Relevant work experience will also be considered.	116
GRADUATE DIPLOMA	Graduate Diploma in Clinical Research Methods	0702		27,500	1 year	AH	1	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience.	107
GRADUATE DIPLOMA	Graduate Diploma in International Health	1884		27,500	1 year	AH	1	B	Applicants must have an undergraduate degree in a appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience.	111
GRADUATE DIPLOMA	Graduate Diploma of Midwifery	1240			2 years	GP	1	A	Applications must have a bachelors degree, a current registered nurse practising certificate and at least one year of professional clinical experience. Students must also apply for temporary registration with the Nurses Board of Australia.	107
GRADUATE DIPLOMA	Graduate Diploma in Health Services Management	2314		27,500	1 year	AH	1,2	B	Either a medical degree, honours degree or postgraduate diploma in a relevant discipline with an average of credit or above or an equivalent qualification from a recognised university with relevant professional experience in health services management. Applicants are also required to have at least two years relevant professional experience in a health-related field.	111
GRADUATE DIPLOMA	Graduate Diploma in Occupational and Environmental Health	0160		27,500	1 year	AH	1, 2	B	Applicants must have an undergraduate degree in an appropriate discipline and relevant professional experience. The department will individually assess applications from students without a degree who have extensive professional experience.	114
GRADUATE/ POSTGRADUATE DIPLOMA	Graduate Diploma in Reproductive Sciences	0101		24,000	1 year	MMC	1	A	A degree in medicine, veterinary science, science or nursing, or equivalent qualifications or experience in the reproductive sciences gained after completing a pass degree in another field.	104
POSTGRADUATE DIPLOMA	Postgraduate Diploma of Psychology	3509		23,100	1 year	CA	1	A	Applicants should hold a bachelors degree and a major in psychology from any course accredited by the Australian Psychology Accreditation Council with at least a high credit average in third-level psychology.	119
