Berwick campus

Sunday 5 August

Faculties represented

- Arts
- Business and Economics
- Information Technology

Facilities for students

The campus features a range of facilities for students, including a library, a bookshop, multimedia and computer laboratories, welfare services, a cafe, student lounges, a bar and bistro, on-campus accommodation, a gym, soccer pitch, cricket nets, and tennis and basketball courts.

Getting started

Start at the General Information Area (foyer area, ground floor of building 901), where current students will take you on a tour of the campus and share their Monash experience with you. You can then meet faculty staff who will provide you with general information about the courses, facilities and services on offer at the Berwick campus.

Emergency assistance

For urgent medical treatment or emergency assistance, dial 47444 from any university phone or 9904 7444 if calling from an external phone.

What do I do if I get lost?

Ask our friendly student ambassadors, who'll be happy to help you. They are easy to spot – look for the students wearing blue t-shirts and beanies.

Monash Metro bus service to Clayton and Peninsula campuses

A free intercampus bus service departs from the bus stop outside building 901. Please see the bus timetable on page 3.
