

Registrations

It would be appreciated if registrations could be returned by Friday 30th of May 2008. Fill out the form below and fax it back to – (03) 9903 4777 or complete the online registration at www.monash.edu.au/study/schools/teachers-seminar/

Details about parking and registration on the day will be forwarded in the confirmation.

Participants are asked to choose one workshop in each session. Workshops will be allocated as we receive registrations. Please indicate at least two preferences for each session on your registration.

A separate booking is required for each teacher attending the seminar. Bookings received by Friday 6th June will be acknowledged in writing. Those booking after this date will need to contact the Onshore Student Recruitment Office directly.

Registration Form

Please fill out a separate form for each participant from your school.
Alternatively you can book online www.monash.edu.au/study/schools/teachers-seminar/

Bookings received by 6th June will be confirmed in writing. Please return form by Friday, May 30 2008 to:

Val Foster – Onshore Student Recruitment Office

Monash University - Caulfield Campus, 871 Dandenong Road, Caulfield East 3145 Or fax to (03) 9903 4777

Alternatively book online at www.monash.edu.au/study/schools/teachers-seminar/ **By Friday, May 26 2008**

Transport and parking at Caulfield campus

We strongly recommend that those who are able catch public transport to the event. Caulfield Railway Station is adjacent to the campus. Four lines stop at the station: Cranbourne, Dandenong, Frankston and Pakenham.

Free parking will be available in the multi-level car park. Entry to the car park for this event is from Princes Avenue only. Those using this car park will need to identify themselves to the parking attendant on the day. Additional parking details and maps of the venue for the first session will be included in the confirmation package.

Please do not park in any other areas (surrounding streets have time limits) as you will be booked by the local council.

10.50 am	Questions
11.00 am	Break Morning tea will be available and faculty staff will be present to answer queries.
11.20 am	Move on to workshops
11.30 am	Workshops – Session 1 (45 minutes each) Please select one 1. Faculty of Business and Economics - strengths and directions Facilitator: Professor Robert Brooks, Course Director, Bachelor of Business and Commerce The Faculty of Business and Economics will discuss the future directions and course offerings that make it one of Australia's leaders in business education. 2. Faculty of Information Technology - schools relationship program Presenter: Mr Andrew Owen This session will provide information regarding the Faculty of Information Technology's school relationship program and the benefits it can bring to your school. This includes; competitions, mentoring, sponsored awards and much more. The session will also include a brief discussion on our industry based learning programs, games development and multimedia.

Time	Session
11.30 am	3. From decisions to incisions: an overview of courses in the Faculty of Medicine, Nursing and Health Sciences Presenter: Mr Andrew Evans, Faculty Manager The largest of its type in Australia, the Faculty of Medicine, Nursing and Health Sciences offers a breadth unique among Victorian universities, with more than 35 undergraduate degrees spread over multiple campuses in Victoria and overseas. While excelling in traditional courses such as Nursing and being Australia's largest provider of Medicine education, the Faculty increasingly attracts high quality students for new disciplines such as its Health Sciences Degree. Our speakers will present a snapshot of opportunities and pathways in this exciting and diverse faculty. 4. The Faculty of Education - not just for your students Presenter: Ms Rosie Johnston A session outlining the professional development and postgraduate opportunities Monash offers for secondary school teachers, and those that assist them in the classroom. From Organisational Leadership to Integration Aides - the Faculty of Education has something for everyone.
12.20 pm	Workshops – Session 2 (45 minutes each) Please select one 1. Experience Art & Design at Monash – a tour Presenter: Mr Tom Hazell and academic staff from the Faculty This session is an opportunity to tour one of Australia's leading educators in the field of Art and Design. Courses are structured around students taking one studio program, giving them the opportunity to master a major studio practice. A tour of our impressive studio facilities will allow participants to "Experience Art & Design at Monash" firsthand. Academic staff will provide further insight into this vibrant and dynamic faculty and its courses. 2. Environmental Science – a 21st Century challenge Presenter: Associate Professor Tony Patti, Associate Dean With demand for graduates spanning a huge range of industries and roles, environmental science is a pertinent, exciting and challenging area of study and research. It encompasses many science disciplines including biology, chemistry, geology, geography, mathematics and physics and therefore is of interest to many prospective students. This session will provide a range of perspectives on the study of environmental science including those of academics and current students in this course. 3. Faculty of Law – a discussion with the Dean Presenter: Professor Arie Freiberg, Dean Dean of Law, Professor Arie Freiberg, will talk about law programs, including direct entry from year 12, the advantages of double degrees, the difference between the Bachelor of Laws and the Master of Laws (Juris Doctor); and the Faculty's proposed move to the Caulfield Campus. 4. Engineering our world Presenter: Professor John Sheridan, Deputy Dean, Faculty of Engineering Imagine a world in which vehicles raise barely a whisper and emit only water vapour. Where parks have replaced urban freeways and living standards have improved dramatically. Where forest cover is increasing and CO2 levels are falling. Engineers are working to make such a world a reality. Come along to find out about studying engineering at Monash and how your students can become engineering leaders of the future.
1.15 pm	Lunch – Building H, Caulfield campus
2.15 pm	Tour of the Caulfield campus with current students
2.15 pm	Careers Group Meetings; <ul style="list-style-type: none"> • Bayside Careers Group • Box Hill Careers Teacher Association • Waverley Careers Association
3.30 pm	Tour of Caulfield campus for those attending career association meetings
